Zwróćcie Państwo uwagę na meble Vero – takie meble to już dziś rzadkość. Prawdziwe, solidne, porządne meble produkowane w Dobrodzieniu, w rejonie, gdzie rzetelność i pracowitość są przysłowiowe. Meble Vero powstają tu w oparciu o najlepsze tradycje rzemiosła: firma zatrudnia wyłącznie pracowników o wieloletnim doświadczeniu, mających do dyspozycji nowoczesne technologie oraz maszyny, które pozwalają uzyskać nieosiągalną kiedyś precyzję.

Rzetelne, zdrowe rozumienie funkcji mebli oznacza, że marka Vero to gwarancja wygody. Vero umiejętnie dobiera i wykorzystuje materiały tak, by jedne części mebli były miękkie i puszyste, a inne – sprężyste i wytrzymałe. Tylko w ten sposób można bowiem osiągnąć prawdziwy (vero) komfort wypoczynku.

Vero to meble ponadczasowe. Ich styl, inspirowany wzornictwem europejskim, jest zawsze na czasie. Dlatego meble Vero znakomicie pasują do wnętrz o charakterze współczesnym, którym mogą nadawać ton lub też spokojnie towarzyszyć. Jesteśmy przekonani, że tak bezpretensjonalna uroda znajdzie uznanie w Państwa domu. Zwróćcie Państwo uwagę na meble Vero.

View Vero furniture collection – today, furniture like this are a rarity. Genuine, sturdy, sound and well-made in the town of Dobrodzień, in a region where laboriousness and diligence of its residents is a subject of many adages.

Here, Vero furniture is produced on the basis of the very best craftsmanship traditions: the company employs craftsmen with many years of experience exclusively, and who once employed have access to the newest technologies and state of the art equipment, which in turn allow to achieve, once attainable, precision.

A straightforward and realistic understanding of the function of furniture signifies that the role of Vero furniture warrants comfort. At Vero, we skilfully select and use materials in such a way so that certain parts of the furniture are soft and cushiony while others springy and durable. As only through this method once can create a true (vero) comfort of relaxation.

Vero furniture are timeless. Their style, inspired by European design, is always in fashion. Thus, Vero furniture fits perfectly in modern design interiors, where they can either dictate the tone of the design or quite simply accompany the already existing interior. We are certain that such unpretentious attractive appearance will be appreciated in your home. Please turn your attention to Vero furniture.

DODATKI / ACCESSORIES

Prawdziwa skóra

Nasze meble – w całości, a nie tylko niektóre ich części – pokrywa naturalna skóra licowa. Jest to wysokogatunkowa, miękka skóra, bardzo delikatna w dotyku, ale zarazem bardzo wytrzymała, o pięknej, wyraźnie widocznej fakturze.

Genuine Leather

Our pieces of furniture – the whole item and not just certain parts of them – are upholstered with natural grain leather. It is a high-quality, soft leather which is very delicate to the touch, whilst still being highly durable, with a beautiful and clear visible texture.

Polski produkt

Meble Vero charakteryzuje wzornictwo włoskie, z włoską orientacją w smaku i wykorzystaniem włoskich materiałów. Jednak sam proces produkcji mebli przebiega w Polsce, w polskiej fabryce o wieloletniej historii i z udziałem polskich pracowników, biegłych w swoim fachu.

A Polish Product

Characterising the Vero range of furniture is the unmistakable Italian design, with the typical Italian orientation in taste, coupled by the use of genuine Italian materials. However, the furniture production process itself takes place in Poland – at a Polish factory boasting a long history and tradition.

Bogactwo możliwości

Meble Vero mają nowoczesną budowę modułową. Genialnie funkcjonalne kanapy dwu-, trzy- i wielo-osobowe powstają tu przez odpowiednie zestawienie modułów – w zależności od potrzeb i rozkładu wnętrza czy też gustów i upodobań jego mieszkańców.

A Wealth of Possibilities

Pieces from the Vero range constitute an example of modern modular design. The brilliantly functional two-, three- and multi-seater sofas are formed by means of combining different modules – in sync with the needs and the arrangement of the interior in question, as well as – naturally – the tastes and preferences of its residents.

Komfort prawdziwego łóżka

Proste i szybkie w rozkładaniu łóżko na solidnym stelażu. Idealne rozwiązanie dla niewielkich mieszkań: sofa na co dzień – wygodne posłanie na noc. Niezastąpione również jako spanie dla gości.

The Comfort of a Real Bed

Simple and user-friendly foldable bed supported by a solid frame. It makes for an ideal solution for small apartments: a sofa during the day – a comfortable bed at night. Also indispensable as a solution for guest sleepovers.
